Recognized consistently for performance excellence and contributions to success in web development. Able to manage multiple tasks, work remotely, set priorities and adapt to changing conditions and work assignments.

Work History

2015-01 -

Senior Front-End Web Developer

Current

Scottie FGW Tech Company, Seattle, WA

Translate designs to front-end code, estimate project time and costs, determine developer requirements and specifications and work with cross-functional teams to define and develop product road maps.

Notable accomplishments

- Eliminated downtime and maximized revenue by providing top project quality control.
- Increased scalability, maintainability, and responsiveness of cross-browser code by 47%.
- Implemented process improvement that doubled system speed within two years.

2006-02 -

Front-End Web Developer

2014-12

Malcolm Mennin Technology, Seattle, WA

Updated and streamlined existing code to improve site performance for the entire company.

Notable Accomplishments:

- Utilized cutting-edge JavaScript and HTML5 techniques, frameworks, and libraries.
- Wrote support documentation and provided training to internal and external users.

Education

2008-09 -
2012-09

Bachelor of Science: Computer Science

*University Of Illinois At Urbana-Champaign -
Champaign, IL, United States*

- Graduated magna cum laude
- Thesis involved studying front-end development technology companies and optimizing their software processes

Accomplishments

- Most Outstanding Employee of the Year, Malcom Mennin (2014)
- Best Mobile App Design, HGFZ Graduate Center (2014)
- Design Awards, CS-UWM (2012)
